

Long Term Plan – Geography Scope, Coherence, Sequence and Rigour

	Year 1	Year 2
Autumn	UK weather	Locational knowledge - UK and capital cities / Continents and Oceans
Autumn Reconnecting		Y1- Locational knowledge - UK countries
Spring	Locational knowledge – UK countries	Human and physical features - Hull
Spring Reconnecting		Y1- UK weather
Summer	Place knowledge North/South Pole, Equator	Locational knowledge - Africa Hull and Nairobi
Summer Reconnecting		Y1- Place knowledge - North/South Pole, Equator

Long Term Plan – Geography

Scope, Coherence, Sequence and Rigour

	Year 3	Year 4	Year 5	Year 6
Autumn	Earthquakes and volcanoes	Water cycles and rivers	Deserts and rainforests	Distribution of resources - minerals, water, food
Autumn Reconnecting	Y2- Human and physical features - Hull	Y3- Earthquakes and volcanoes	Y4- Water cycles and rivers	Y5- Deserts and rainforests
Spring	Locational knowledge - Counties, European countries, Northern/Southern hemisphere	Locational knowledge - major capital cities UK mountain regions and rivers	Locational knowledge - European capitals and North/South American countries Time zones	Industrial areas and economy Greenwich Meridian, Arctic and Antarctic circle
Spring Reconnecting	Y2- Locational knowledge - UK and capital cities	Y3- Locational knowledge - Counties, European countries, Northern/Southern hemisphere	Y4- Locational knowledge - major capital cities UK mountain regions and rivers	Y5- Locational knowledge- European capitals and North/South American countries
Summer	Hull and Italy Locational knowledge - Rome	Hull and Greece Locational knowledge - Athens	UK and South America Locational knowledge - Brazil	Hull and North America Locational knowledge - LA
Summer Reconnecting	Y2- Hull and Nairobi Locational knowledge - Africa	Y3- Hull and Italy Locational knowledge - Rome	Y4- Hull and Greece Locational knowledge - Athens	Y5- UK and South America Locational knowledge - Brazil
