"Be the reason why someone smiles today."

Spring Term 1

Thank you for all your support throughout Autumn term, we loved welcoming you all in to watch our Nativities.

We cannot wait to see what this half term has to offer and continue to watch your children flourish!

Headlice

We advise that you regularly check your child's hair. Please inform us if your child appears to have headlice.

Reception

This half term, we are going to be focussing on The Little Red Hen, Supertato and People Who Help us in the local community.

In phonics, we will be using RWI and learning single sounds and special friends. We will be continuing using Fred Talk and Fred Fingers to help us to segment and blend.

In Maths, we will be looking at numbers 6 - 10. The children will be using Numberblocks to deepen their understanding of the numbers. We will also be looking at 2D shapes and patterns.

Weather/Spare Clothes

As the weather is still very unpredictable, we advise for wellies or puddle suits to be brought to school..

We would appreciate it if your child had a bag of spare clothes at school, including socks. This can be kept at school.

Please make sure that these are named.

Tapestry

FS2's homework will usually be done via Tapestry. This will be sent out on a Friday and is due on a Wednesday. The same applies for reading books. If you need any support with this, please speak to a member of staff.

Nursery

This half term, the nursery children will be looking at Barry the Fish with Fingers and other undersea related books.

In phonics we will be looking at rhythm and rhyme and syllabic deletion - this will be done through a variety of games and phonics activities.

In Maths we will be looking at counting and subtilizing, as well as gaining an understanding of basic 2D shapes and their properties. Opportunities to extend their knowledge will be available during continuous provision also.

Dates

Friday 20th January - Chinese New Year (children are welcome to come in red and yellow clothing).

Thursday 2nd March - World Book Day (Details to be confirmed).

Twitter

We update our school Twitter regularly. Please take a look @BroadacreSch
