

Year 1 Newsletter - Autumn 1

Welcome back! We are delighted to welcome all children back into the classroom. The children have settled wonderfully into lessons. We are so proud of all of the children and how much they have adapted to the new challenges of Year 1.

Twitter

We update our school Twitter regularly with photographs of the children working in a range of lessons. Please take a look @BroadacreSch

Writing & Reading

In Year 1, the children will be using a variety of books as a stimulus for their writing. We will be learning how to write a sentence and use capital letters and full stops accurately. The children will write simple instructions, labels, descriptions and ask questions.

Science

For science, we are going to focus on the different animals and humans. We are going to learn all about herbivores, omnivores and carnivores and discover the different types of animals.

PE

This term in PE, our indoor focus is on gymnastics.

Class 1- Monday and Tuesday

Class 2- Monday and Tuesday

Class 3- Monday and Tuesday

Please ensure your child comes to school with a suitable PE kit and footwear for these sessions. Ideally, your child should bring their PE kit on a Monday and take it home to wash on a Friday.

Homework and Home Reading

Just a reminder, children are expected to read 3x per week and have this signed off in their reading record by an adult. Homework and home reading books will be sent home on a Friday and need to be returned the following Wednesday to allow time for them to be checked and changed.

Maths

In maths, we will be focussing on counting through to 100. We will be using number squares and a variety of mathematical apparatus to support learning.

Foundation Subjects

In history, the children will be finding out about toys from the past and within their living memory. We will also explore how toys were made and used. The children will create a timeline and develop their understanding of the past and present.

Dates

The Year 1 children will be visiting the Streetlife Museum this term and we will communicate further details to parents in a separate letter.

If you would like to discuss any of the upcoming visits or have any queries once the letters are distributed, please feel free to speak to a member of the Year 1 team.
