**Homework Rota**

**Autumn 2 2023**

**Year 2**

Week Beginning	Homework	Extra Credits	Homework Project this Half Term
6.11.23	Maths	NUMBOTS 15 mins Reading x3	Living things and their habitats
13.11.23	English	NUMBOTS 15 mins Reading x3	
20.11.23	Maths	NUMBOTS 15 mins Reading x3	
27.11.23	English	NUMBOTS 15 mins Reading x3	
4.12.23	Maths	NUMBOTS 15 mins Reading x3	
11.12.23	English	NUMBOTS 15 mins Reading x3	
18.12.23	Maths	NUMBOTS 15 mins Reading x3	

**Reading must be recorded in your child's reading record to receive credits.**

**Homework Project- Living things and their habitats**

With your child, be creative and explore living things and their habitats

Please see examples of how this could be done or feel free to use your own ideas.

**Option 1**

Create a fact file about a living thing and their habitat. (plant, animal, bug)

**Option 2**

Create a piece of art work inspired by a habitat. You could look at different habitats (jungle, dessert, polar etc.)

**Option 6**

Use recycled materials to create a model of a habitat for a mini beast- you could use a small toy as your living thing.

- What would it eat and drink?
- Where would it sleep?
- How would it stay safe from predators?

**Option 3**

Go on a 'bug hunt'. Record which insects or animals you find and where they live.

**Option 5**

Use ICT to research microhabitats and which living things survive in them.

**Option 4**

Draw a food chain – label the producer, primary consumer and secondary consumers.
