Year 3 Volcanoes

With your child, be creative and explore volcanoes. Please see the examples below or produce your own. Have fun! If you have created something, please bring it in on the last week of term and we will share it with the class. If your task is practical, please bring some photographs in so we can share what has been created.

Option 1:

Create a volcano fact sheet or mini book with interesting facts about volcanoes. Include labelled diagrams.

Option 2:

Make a volcano safety poster with tips for what to do before, during, and after an eruption.

Option 3:

Make a volcanoes quiz game or crossword puzzle using volcano facts to share with the class

Option 4:

Write a short news aper report pretending you are a news reporter live on the scene of a volcanic eruption. What details would you include?

Option 5:

In Minecraft or using LEGO build volcano using blocks. Take photos of the eruption. Take photographs or videos to explain what is happening.

Option 6:

Make a volcano model using paper mâché or other materials.
