Homework Project- Design Technology Bridges

With your child, be creative and explore different bridges.

Please see examples of how this could be done or come up with your own ideas.

Option 1

Create a fact file about a local bridge.

Option 2

Create a piece of art work inspired by a local bridge.

Option 6

Use recycled materials to create your own bridge model (this could be original or based on a bridge from around the world).

Option 3

Visit a library and borrow non-fiction books about bridges.

Option 5

Use ICT to make a presentation about 3 famous bridges from around the world.

Option 4

List the key parts of a suspension bridge.
