"You're amazing, just the way you are."

## Summer Term

Welcome back to all of the children in Year 3! We are very excited to begin the Summer term.

### History

This half term, Year 3 will be learning all about education during the Victorian era. The children will be making comparisons between modern schools and Victorian schools. They will also learn about the changes that happened in education during this era.

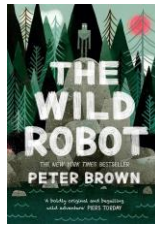

### Maths

In Maths, Year 3 will be learning about mass and capacity. They will develop their ability to add and subtract different measurements. The children will also begin learning about money and will convert pounds and pence.

### Reading and Writing

In the Summer term the children will be using *The Wild Robot* by Peter Brown as a writing stimulus. In Writing, they will be creating and performing haiku poetry as well as writing diary entries and non-chronological reports. In Reading, the children will be retrieving information and inferring different characters' thoughts and actions.

hello  
Summer

### Science

Our science topic for this half term is plants. The children are going to learn all about the importance of the basic needs of plants and why plants are important to the environment.

### PE

This half term, Year 3 will be focusing on dance and athletics. Please make sure children bring their PE kits and trainers (including jogging bottoms for outside sessions) to school on a Monday and take them home on a Friday to be cleaned. For these sessions, hair must be tied back and earrings must either be removed for the session or covered, with their own tape, for health and safety reasons.
