“At Broadacre, we DARE!”

Welcome Back

Welcome back to all parents, pupils and staff. The last half-term of the academic year is always action-packed and fun-please see key dates on page 2 and 3.

We have residential visits and sports days and much more to look forward to.

Hull's Gotta Dance

On Wednesday 26th June, our dance team will be participating in the Hull's Gotta Dance showcase event. Tickets have sold extremely well and it is a great opportunity for our pupils to perform in front of a large audience.

We are incredibly proud of the effort, attitude and commitment shown by the pupils in attending practice every week and giving it their all. The hard work and dedication of staff, led by Miss Trevor, also needs recognising.

Attendance

Attendance remains a key issue for all schools.

Attendance at Broadacre has improved significantly over the past twelve months. Thank you for your continued support with this. Research shows that increased attendance leads to improved outcomes at primary school and in later life.

The new attendance rewards of non-uniform days and extra playtime have been very successful and our attendance was way above the national average in the last half term. Thank you for supporting your children with this.

Uniform

Please see the following link for a list of school uniform items

<https://broadacreprimaryschool.org/school-uniform/>

Please note that sports leggings, joggers, hoodies, false nails, false eyelashes, bracelets and large earrings are **not** part of school uniform.

Pupils wearing such items will be challenged-please do not be offended by this.

Sports Days

Sports week begins next week on Monday 10th June. All children will participate in a range of sporting games and activities, as well as the traditional competitive races. Look out for a letter with more details.

Keeping Safe

The world of digital technology and social media is ever-changing and evolves quickly. We remind families that popular social media platforms (TikTok, SnapChat, Instagram, Facebook) are for users aged 13+. Whatsapp is for users aged 16+.

Unfortunately, there have been a number of examples of children using social media irresponsibly and dangerously. If your child does use social media, please monitor this.

Annual Reports to Parents

The teachers are all currently working hard on completing your children's annual report. Every child from Reception to Year 6 will receive a report. On the report, teachers will comment on your child's attainment, behaviour, attitude and next steps in their learning. Parents of pupils in Year 1 will also be given the outcome of the Phonics Screening Check; parents of pupils in Year 4 will be given the outcome of the Multiplication Tables Check and parents of pupils in Year 6 will be given the outcomes of the SATS tests.

Reports will be handed out on Thursday 18th July.
