

Year 2 Autumn 2 Newsletter

"A little progress each day adds up to big results." - Satya Nani.

Autumn Term 2

Welcome back to Broadacre!

Autumn 1 was an enjoyable and positive start for all the children. We would especially like to say thank you to both parents and children for their continued support in everything we do.. We are immensely proud of the way the children have returned with such positive attitudes, ready to learn.

English

In Year 2, the children are using 'The Snow Dragon' by Abi Elphinstone as a stimulus for their English and Reading lessons. We will be using a variety of sentence structures, describing characters and settings.

Maths

Throughout this half term, we will be looking at becoming fluent in adding and subtracting numbers within 100 using different methods. We will use manipulatives and reasoning questioning to strengthen and stretch their maths skills.

PE

The children will take part in PE lessons during the afternoon sessions. Tiger's Trust are working alongside us on Thursdays for one of the two PE lessons. Please make sure children bring their PE kits to school on a Monday and take them home on a Friday to be cleaned. The children should wear plain black, blue or white clothing suitable for indoor and outdoor sessions.

Science

Our science topic for this half term is 'Animals including Humans'. Your children will learn about things that are living, not living and never lived. We will also explore lifecycles.

Geography

We will be working on the world map, exploring continents, oceans and how the world is shown on a map.

Nativity

This half term, the children will be working incredibly hard to put together an amazing show on Tuesday 17th December. We can't wait to show you our amazing showcase.

Mrs Ellerington, Mrs Shubrook and Mr Wilson
