

"You're amazing, just the way you are."

Welcome back to the last half term of 2024!

We are excited to welcome the children back for this half term and can't wait to see what work they produce over the coming weeks. We've got so many exciting events that we look forward to over the festive period.

Twitter

We update our school Twitter regularly with photographs of the children in Year 4. Please take a look @BroadacreSch

Maths

This term, we will be exploring area, multiplication and division in math lessons. We encourage all children to access TimesTablesRockstars at home in preparation for the multiplication check next year.

Events

We are excited for our upcoming enterprise events with parents. Many children in Year 4 are going to a badminton festival at the end of November and we are all visiting the Hull Truck Theatre in December. The Hull Seahawks are currently holding a competition to design a jersey to win a free family pass - the deadline for these is Friday 15th.

PE Kit

This half term the children will be focusing on hockey and gymnastics. Please make sure children bring their PE kits (including trainers) to school on a Monday and take them home on a Friday to be cleaned. For these sessions, hair must be tied back and earrings must either be removed for the session or covered, with their own tape.

English and Guided Reading

In Year 4, we are using 'The Nothing to See Here Hotel' as a stimulus in our writing and reading lessons. The children will be writing character descriptions, diary entries and newspaper articles.

Foundation Subjects

Our science topic this half term will be 'Living Things and their Habitats'.

This half term, we will also be learning numbers and Christmas vocabulary in Spanish lessons and studying water cycles in geography.

We will be continuing our violin lessons every Friday with Mr Rhodes, which the children thoroughly enjoy!

Reading and Homework

Homework is set every Friday and this should be returned the following Tuesday. Children will also receive a reading plus log in to access reading online at home or a reading book. We hope you will support us in making reading an enjoyable experience for each child. Children are expected to read at home four times a week.
