NEWSLETTER

AT BROADACRE, WE DARE

Welcome back

Welcome back! We are delighted to welcome all children back into the classroom. We hope that you have enjoyed a wonderful Easter break and are excited for the term.

Writing

In Year 1, the children will be using a variety of books including; *Sharing a Shell* and *Letters to a Monster*. We will be using these books to transcribe and compose different sentence structures. We will focus on verbs, adjectives and nouns making up a sentence.

Science

For science, we are going to focus on naming and labelling parts of a flowering plant. The children will also be planting their own seeds and observing changes over time.

Decorated Egg Competition

Thank you for the wonderful decorated eggs. The creativity shown was amazing and we thoroughly enjoyed looking at them and celebrating them.

Sewerby Hall

We are planning a visit to Sewerby Hall –
Class 1 – 11th June
Classes 2 & 3 – 18th June

Thank You

Thank you for continued support - we really appreciate your communication and engagement with school.

Year 1 Team

Homework and Home Reading

Just a reminder, children are expected to read 3x per week and have this signed off in their reading record by an adult. Homework and home reading books will be sent home on a Friday and need to be returned the following Wednesday to allow time for them to be checked and changed.

Maths

In maths, we will be learning how to measure length and capacity. The children will also be introduced to the concept of multiplication and division by counting objects in 2's, 5's and 10's as well as sharing amounts equally.

Foundation subjects

In history, the children will be finding out about the lives of Neil Armstrong and Mary Anning. We will be finding out all about their adventures into space and the discovery of the 'Ichthyosaurus'. In art we will be studying sculptures and materials. Children will study the artwork of Andy Goldsworthy.
